For best results, Thalgo recommends a course of 6 facials, in conjunction with the accompanying homecare range to continue effectiveness.

— — HEART OF THE OCEAN RITUALS —

Source marine ritual - Normal/dehydrated /Cold cream marine ritual Sensitive & dry/very dry - Purete marine ritual - Oily/combination 1 hour - 650 Kn - Face and décolleté

This personalised Thalgo signature facial ritual begins with a relaxing welcome massage after which the skin is gently cleansed and exfoliated. A serum packed with active marine ingredients is applied with Thalgo's Heart of the Ocean massage, recreating the rhythmic motions of the sea to relax the facial muscles and relieve tension in the arms, shoulders and neck. This is followed by a skin-specific mask to correct any skin concerns. The treatment finishes with an application of moisturiser, leaving the complexion restored to its natural beauty. (Can be personalised according to skin type)

Hyaluronic Smooth and Fill Facial 1 hour - 700 Kn

Correct the signs of ageing as they appear, with this smoothing and filling facial designed for age 35+ or for more pronounced wrinkles. After a relaxing welcome massage to immerse you in an aquatic cocoon, a cleansing ritual adapted to your skin type is carried out, followed by intense exfoliation to smooth the skin and allow optimum penetration of the active ingredients. Next, an expert anti-ageing massage lifts the features and helps the skin drink in all the Hyaluronic Acid, while a Hyaluronic Mask is applied to the rest of the face to smooth the skin, leaving your complexion glowing. You'll enjoy a relaxing hand and arm massage while the mask is left to act. After the treatment you will notice your lines are less pronounced and skin is younger looking.

Thalgo Men Ocean Ritual 1 hour - 680 Kn

This high-tech, relaxing facial for stressed male skin combines energising marine active ingredients with soothing massage movements to ensure exceptional results. The facial begins with a relaxing back massage, followed by a deep cleansing exfoliating ritual carried out on the face and neck, including an application of Algue Bleue Vitale Extract to revitalise the skin. A shoulder, neck and scalp massage relieves any remaining tension, and the skin is left looking brighter with all signs of stress and fatique.

For the ultimate full body exfoliation designed to give super-soft skin, this treatment combines Natural Marine Mud taken from the Dead Sea and natural sea salts. The body is treated to a marine salt exfoliation to eliminate dead skin and alleviate dry and rough skin and invigorate the whole body.

This is then followed by an application of marine mud to naturally remineralise and revitalise. While this is taking effect a deeply relaxing scalp massage promotes relaxation and eases tension. To finish, the whole body is treated to a light massage using an ultra-nourishing body cream.

Thalgo Polynesia Spa Ritual 1h30 - 900 Kn

Experience Polynesia, the exotic sensorial spa ritual, inspired by four of the most beautiful islands hidden in the heart of the Pacific Ocean. This luxurious treatment begins with an azure water foot bath inspired by the crystal blue waters of the Manihi Lagoon to protect and hydrate the skin.

Next is the Exotic Island Body Scrub, a gentle vanilla-scented body scrub blended with pure white sand from Bora Bora, sea salt, coconut shell and algo-monoi for a thorough exfoliation of the entire body to leave the skin feeling smooth and soft.

The Mahana Massage incorporates a rhythmic Lomi-Lomi massage and warm sand pouches to loosen muscles and nourish the skin.

Finally, Polynesian Sacred Oil from Raïatea, the sacred island, is swept over the skin, its subtle golden pearls leaving a sunkissed glow and a delicate scent of flowers and monoi.
